PROJECT DETAILS:

1. Performance Management System:

Portal to manage performance based on annual goals of employees throughout the organization. Has certain conditions based on Goals setup, mid-year review and final appraisal cycle.

2. Aatmanirbhar Bharat:

A Web-based Application which is used to tackle the challenges being posed by the COVID 19, Hon'ble Prime Minister of India announced a special economic and comprehensive package of Rs. 20 lakh crore - equivalent to 10% of India's GDP on 12th May 2020. He gave a clarion call for 'AatmaNirbhar Bharat Abhiyan' or Self-Reliant India Movement wherein he outlined the five pillars of Atma Nirbhar Bharat viz. Economy, Infrastructure, System, Vibrant Demography and Demand. For timely implementation and real-time monitoring of the package components, there is a felt need of a tracker mobile or web app to facilitate the government departments and senior officials of the state.

3. NALX (North America Learning Experiment):

A web-based application that can be used to get the details about cosmetics brands and

products. And even their employees can learn about the products and brand in detail by completing courses using this application.

4. CRAIN

A web-based application that can be used to post latest news,blogs on application,built on Drupal's multi-site architecture, offers a centralized solution for managing over 20+ brands. The aim of this project is to create a platform where multiple news sites can be easily managed under one roof, each with its own unique content and design, sharing common features and functionalities.

RELEVANT COURSES:

1) [Drupal 8 Essential Training: 1 The Basics](#)
Completed "Drupal 8 Essentials" course, which equipped me with the skills to create and manage websites using Drupal, including installation, configuration, content creation, and site migration. Also completed "Drupal 8 Essentials" course to learn advanced techniques such as adding categories, comments, and custom styles to enhance website functionality.

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the mentioned particulars.
